EDUCATION

Korea Advanced Institute of Science and Technology, KAIST

Integrated M.S & Ph.D., School of computing

Daejeon, Korea

March 2026 - present

Pohang University of Science and Technology, POSTECH

Integrated M.S & Ph.D., Grad. School of Artificial Intelligence, transferred

Pohang, Korea

March 2023 - February 2026

Ulsan National Institute of Science and Technology, UNIST

B.S., Computer Science

Ulsan, Korea

March 2017 - February 2023

RESEARCH INTERESTS

3D computer vision, Generative model

Key words - Novel view synthesis, Generative model, 3D reconstruction/perception
